

## Stamp out the canker thwarting democracy (The Hindu, GS-2, Polity)

Context:- 2007-08 financial crisis seriously dented the economies of many nations, and the recovery has been slow, or sporadic.

- COVID-19 impact:-
  - economic tsunami
  - upheavals and dislocation affecting every region of human activity
  - an accompanying health crisis
  - The fostering of a crisis mentality
  - a series of political and strategic crises
  - Disinformation and distortions
- How we can strengthen the post covid era
  - relationship the community should have with the police
  - look at newer alternatives
  - Removal of widespread corruption
  - it means creating and executing a national public awareness campaign
